Other Supplies:

Artifacts® Victorian Scrap Art

Beacon® Liquid Laminate®

Small Scissors

Instructions:

1. Paint tray Buttermilk. Shade interior and exterior edges with Honey Brown. Add additional Honey Brown shading along rounded top edge of tray. Let dry.
2. Trim desired flowers from scrap art sheet. Cut excess paper away from each floral motif, following lines of design. Pivot design into scissors when cutting.
3. Cut one large floral design and seven small floral designs.
4. Use brush to apply Liquid Laminate to tray where design will be placed. Immediately apply design to tray, smoothing out any bubbles with the brush.
5. Brush again over design, making sure edges of design are sealed against the surface.
6. Repeat process to apply remaining designs.
7. After all designs have been applied, apply a coat of Liquid Laminate to seal the tray.
